**Recognise scam to prevent it.**

« on: August 09, 2015, 08:16:00 AM »

This best way to prevent scam is to prevent getting excited. Shopping can be a form of excitement like gambling. Some are even addicted to it. Whatever you do: First check multiple review sites, take your time to do so. Do not forget, if it is extremely cheap you probably do not get after sales support. Those shops just sell, collect the money and forget about you.
